

# Ignite RADIANCE

*with Star Staubach*

Star is on a mission to inspire women to Ignite their brilliance in every aspect of their lives. She wears many hats as Life Coach and owner of Ignite Radiance, Radio Show host, International Motivational Speaker and as a proud mother of two daughters and a son. Star gets it about balancing family, work, play and self-care. In fact, she learned the hard way so she could make it easy for her clients! A certified life coach on top of two decades of study in personal development, Star has helped many women (and insightful men) move from overwhelm to living the radiant lives they are meant to live!

I switched from reactive to proactive. Coaching with Star was powerful in moving me forward and creating significant change for me.

-Lydia Adams, MSW, Life Coach

I was TIRED of being unhappy. I KNEW there was more, but couldn't put my finger on it. Star was the BEST money and TIME I've spend, investing in me. My level of satisfaction before coaching was 3/10. Eight sessions in, I was reporting 8/10. Without coaching, I would still be doing the day to day of my jog. I would have missed opportunities.

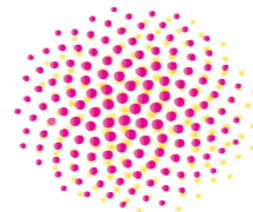

-Daphne Winston, CPA
